**PROVINCE JUBILEE RETREAT AT CHRIST HALL- A REPORT**

The last of the Renewal Retreats as scheduled, in connection with the commencement of the Golden Jubilee of the Province, was directed by Fr Rex Pai (MDU) from 21–29 August at Christ Hall. 35 Jesuits made the retreat. As a hunch it could be said that the average age of the participants was around 60, the youngest being 30 years old and the oldest 92. The bulk of the group consisted of Provincials, Socii, Superiors, Principals and Consultors all past and present. There were three inputs daily, each for an hour's duration, the last being an hour of adoration at night-fall, before the Blessed Sacrament exposed, with intermittent sprinkle of pep talks, sharings and hymns. The exercitants seemed dead-seriously prayerful. Galore were the reflections from back-bare-skulls and tube-light foreheads but heart-level sharings hard to come by. Besides these, 4 hours of personal prayer was prescribed. The inputs were 'quintessentials' gleaned from the gold-mine of Fr Rex Pai's vast experience as a Spiritual Master and a suave, simple and transparent Jesuit administrator. They were simple, deep and pertinent to this era. He shared with us even his choicest retreat materials.

In spite of the cloud-burst rains in North India and in our neighboring states and a mild spill-over to Kerala, Calicut sustained a pre-autumnal air-conditioned weather conducive to prayer. Convenient accommodation, reasonably good food, concerned and sensitive Christ Hall Community, ever-vigilant and alert Socius and Minister made the conduct of the retreat smooth-sailing. The retreatants are very

grateful to one and all of the organizers. Having stayed in one of the newly-built Curia rooms the present reporter takes this opportunity to congratulate the incumbent Provincial on his meticulous planning and impeccable execution of the new building. It is an 'incarnation' of sweet reasonableness. In addition to this, is there not a felt-need for the Mother-house of our Province to have a decent chapel for the spiritual bonhomie of the Jesuits, instead of the present wayside, wooden, 'dum-dum' oratory!

Mr Baby had lunch in the Jesuit

Community and spent considerable amount of time in TUDI.

We had a grand Onam celebration in the School as well as in TUDI with an *Onasadya* for the entire students of the School.

### **AADI, ATTAPPADI**

Fr Rappai Poothokaran(GUJ) has sent a draft project for the Attappadi Eco Reserve. Fr Britto Bonaventure (MDU) with his assistant made a study of the flora and fauna of our reserve and found 124 species of rare plants and some of them are very medicinal.

Fr P.S. Antony is quite busy with many activities. He has initiated Tarumitra in three schools and is in contact with many schools to start the same. He is supervising the two evening study centers at Vadakottathara and Kalkandiyoor and they are functioning very well. Both places had Onam celebration for the first time with lots of games, competitions and fun. Antony is giving a value based programme in local T.V. channel based on *Jeevitha Moolya Padakangal*. This is a 30 minute programme which will be telecast once a week. Ten episodes are ready and the first one was telecast on 29 August. He is also giving Tamil voice to the famous preacher Fr Xavier Khan Vattayi. It is telecast three times a week. Besides, he is giving voice to Tamil News. He is also taking English classes at the new Government College on request from the Principal since there is nobody else to teach. More than half the students are tribals. His classes are highly appreciated.

In the mobile Technical Training centre at Paloor we have 56 tribal students getting trained as electricians. Paloor is an interior village. Students come from interior places like Dhanyam & Dhoddukatty. They are very smart and enthusiastic and profit from the training programme.

**PRE-NOVITIATE, CHRIST HALL**

We spent the Onam holidays at St Joseph's, Calicut which enabled us to be part of various celebrations in the City. Frs Xavier and Thadeyoos made sure that we enjoyed our holidays to the maximum. We were deeply impressed by the hospitality and generosity of St Joseph's Community. The Jesuit family gathering and Independence Day celebration was the main events of the month. Fr Sunny Kokkaravalayil from Rome and Sch. Bony from Japan shared their experiences with the Pre-Novices. We gave a warm send off to Sch. Kensy of the British Province, who helped us in learning the rudiments of English language. We have begun the second term after the holidays with renewed vigor and enthusiasm.

**ST JOSEPH'S, CALICUT**

The Community is deeply indebted to Br George Vattukulam for rendering excellent service for the last four years. He bade farewell to St Joseph's to take up his new assignment at Loyola, Aluva. The Onam was celebrated in both the Junior and Senior School with its full grandeur and spirit. The day was marked with various cultural programmes, *onakalikal*, *pookkalams*, *chenda melam*, and delicious *payasam* was served. The three days Youth Festival, which was inaugurated by Mr P.K.Parakkadavu, noted writer, showcased the vibrant artistic skills of the students. The candidates who actively participated in the youth festival have won first prize for both English skit and mime. The Vision India team of the school has won the inter school football match organized by the District Sports Council as part of the Onam celebration in the city. Our school library is selected for the best library award in the Educational District. The School has redesigned its website ([www.stjosephsboysschool.org](http://www.stjosephsboysschool.org)) and the various activities of the school are available in multimedia format. Frs. Devasia, Anto and Sch. Sooraj joined the Province Retreat at Christ Hall during the Onam holidays. The candidates are back after the holidays and are getting ready for their improvement

exam. Fr Anto gave a couple of programmes to the regional KCSL and CLC groups.

**RTC/SAMEEKSHA, KALADY**

Sameeksha celebrated Onam with its traditional *Pookkalamalsaram* followed by *Onakkalikal* for the local children. It was an enjoyable programme and the day once again brought the spirit of the season and the campus was enlivened by the presence of innocent children. Many of ours were also involved in conducting Onam competitions and classes in and around. During the Onam holidays the presence of a group of young students from Valsalyabhavan, Ernakulam, elicited considerable festivity in the ashram air of Sameeksha. A group of vibrant AICUF youth organized a '*Karyakshamatha Vikasana Camp*' for three days.

Fr Henry's Keynote address at the bishops-formators' colloquium held under the aegis of KCBC was greatly appreciated for its novelty and new vision and brought home a tribute of applause to Jesuits as well. An august gathering in Marymatha Major Seminary, Thrissur, valued Fr P T Mathew's insightful presentation on 'Commercialization of Sacraments' as part of a symposium on 'Sacramental Theology.' Fr Sebastian Painadath was the main resource person at the Annual Colloquium of the Jesuit Novice Masters of South Asian Assistancy in Bangalore. He reflected with them on adapting the Ignatian methods of meditation to the Asian spiritual context.

**LUM EN/JYOTHIS, KOCHI**

The literary Seminar on the contributions of Arnos Padiri was the event of the month in Lumen. The Seminar began with an introductory talk by the famous media critic, Advocate A. Jayasankar. Prof. Thomas Mathew and Dr Kurias Kumbalakuzhy presented their insights on the specificity and significance of the works of Arnos Padiri in the history of Malayalam literature.

Arnos Padiri Academy Director, Fr Roy, made sure that the entire programme was a success.

Our new Superior, Fr Mathew Nampiaparambil, was given a warm welcome to the Community. We thank the outgoing Superior, Fr Jose Mathew, for his devoted service to the Community and also for beautifying the campus. At the age of 85 Fr Adappur has become a columnist in 'Mangalam Daily' in its editorial page. Titled as *Atmavicharam* the first article on the tragic case of Prof. T.J. Joseph appeared on 26 September. He also contributed to various newspapers and magazines with a variety of serious articles.

### VIDYA NIKETAN, TRIVANDRUM

We bade goodbye to the month of July by celebrating the Feast of our founder St Ignatius. The day commenced with a Solemn Mass celebrated by Fr E.J Thomas, Rector of SXC. In his inspiring homily he called us to live out the mission Jesus had given to the founder. At noon we had benediction along with SXC Community members and priests from neighboring parishes. It was followed by a sumptuous feast day meal.

We celebrated the Independence Day with a Solemn Mass and flag-hoisting. Although it was drizzling, the fiery speeches delivered by Schs Williams and Gopi (MDU) warmed us with the spirit of patriotism.

Vidyaniketan received Maveli by making an attractive *Pookkalam* in our courtyard. A talk given by Dr Iris, Professor of Malayalam at SXC, inspired and convinced us of the beauty and richness of God's own country. On *Thiruvonam* day we had a Solemn Mass in Malayalam celebrated by Fr Sunny, Principal of SXC. He exhorted us to be watchful of the new 'Vamanas' around us. We had a good deal of *Onakkalikal* and a delicious *Onasadya*, thanks to the leadership and coordination given by Sch. Alex (KER). We had the opportunity to watch the grand pageant organized by the Tourism Department in the city. It was indeed a matter of great attraction for the non Malayalees. Despite the celebrations, we had two important courses here. In the first week of August we had the course on 'Film Appreciation,' conducted by Fr George Sebastian (KER). He really helped us to have a proper understanding and approach to the media. The course on 'Psycho-Sexual

Integration' given by Fr Jossy Rodrigues (KAR) enhanced our understanding and awareness. In spite of the monsoon splashes, the atmosphere in Vidyaniketan is becoming a bit tense as the schedule of the first term examinations is put on the notice board!

### **'SADHANALAYA' (NASHIK NOVITIATE)**

We have already begun to row our boats in deeper waters. We all are enjoying our Novitiate life and no one is experiencing any home sickness. We mingle well with the Novices of other Provinces. From the beginning till now there is no difference between the five Provinces here at Sadhanalaya. Besides the regular classes, we have started our apostolates. Each Novice has at least three apostolates every week. Our apostolates are, working at a destitute home run by Mother Teresa's sisters; teaching English and Maths in slums and boardings. We ourselves have started studying Marathi—just enough to manage our affairs. Every one of us has taken the initiative to learn Marathi. It is an interesting experience. Our three staff members besides taking classes take care of our spiritual and material well-being. Our Novitiate is on a river bank with lots of trees and plants. We have a nice garden and we take care of everything in the house. We celebrated the Feast of St Ignatius with due solemnity. Bishop Lourdes Daniel, the acting bishop of Nasik, enriched our celebration with his presence and inspiring words. Within a few days the Provincial of Bombay Province came for the visitation. He met all of us Novices as a group and we were highly motivated by his inspiring talk about self responsibility. We celebrated Independence Day and the Assumption of Our Lady on a grand scale. We are joining you all in prayer for our Province Jubilee.

Nikhil & Jesno

### **ANANDA JYOTI**

After the joyful celebration of the Ignatian Feast, we were enriched by the recollection given by Fr Stanley on 5 August. Seven second year Novices went for one month long hospital experiment in the Houses of

Missionaries of Charity at Vijayawada and at Khammam. Amal, one of the first year Novices of Kerala, is the present beadle of our Community. We extend our helping hands to the Little Sisters of the Poor and the Missionaries of Charity as part of our weekly ministry. The Community had a colorful celebration of the Independence Day. There was a special prayer service. On Onam day the first year Novices prepared a delicious *Ona sadhya*.

### **ASHA KIRAN, MANGLORE**

The Asha Kiran day was celebrated with much joy and enthusiasm. The presence of many benefactors, friends and Jesuits added solemnity to the occasion. We had a modest, yet meaningful Onam celebration both in the College as well as in the Community. Many Onam related activities like the presence of Maveli, pookkalam, onapattu have become part of the active vocabulary of Asha Kiranites now. The visit of Fr Henry, our PCF, was an occasion of joy for us. Indeed, his presence has boosted our spirit.

### **BERCHMANS ILLAM, CHENNAI**

The last month witnessed a series of events in Loyola campus. We celebrated Onam, proclaiming the greatness and cultural richness of Kerala. Loyola College conducted the first Loyola World Alumni Congress in which more than 3,000 alumni from all over the world participated. The Union Home Minister, an alumnus of the College, was the Chief Guest. Loyola Chennai Alumni Foundation was formed on the occasion. It will provide financial assistance for higher education to poor students.

Midhun and Emmanuel were admitted in the hospital for one week due to fever. Kamal visited Mysore and Coorg as part of the study tour organized by the Department of History. The Bertram tournament makes the Campus alive and noisy.

### **SATYA NILAYAM, CHENNAI**

The month of August was packed with many programs at Satya Nilayam. In the first week of August we had our first internal exams. On August 15 we took special pride in saluting the national tricolor. Satya Nilayam Research Institute, in collaboration with AIESE and Loyola College, conducted an International Seminar on, 'Family in a Multicultural Society: Changing Facts and Face of Living.' The seminar was a success and the scholastics put their heart and soul to make it a memorable one. As part of the seminar, there was a mind boggling two hour dance program at Satya Nilayam campus which portrayed the South Indian culture in its depth. We celebrated Onam on 28 August. It was a grand celebration, started with morning Mass which was attended by our Malayalee neighbors and IIT students. A beautiful *Pookkalam*, arrival of king Mahabali, a tug of war competition, and above all, a sumptuous *Onasadya* with 23 items, added color to our celebration.

### **DE NOBILI COLLEGE, PUNE**

The DNC Community celebrated Onam on 28 August. It was an occasion for the Malayalees of DNC and other religious congregations to come together and share their nostalgic memories of Onam and exchange the same warmth and happiness with the non-Malayalees through the Onam liturgy, *onasadhya* and *athapookkalam*. The whole community enjoyed the variety of dishes of *onasadhya*. *Athapookkalam* was a creative expression of the co-operation of scholastics. The Independence Day celebration spread the message of freedom. A Province Mass was offered in memory of the mother of Fr Stephen Chundanthadathil. Fr Thomas Karimundakkal has started

teaching in JDV and his classes are well appreciated by the staff and the students. There was a living group picnic soon after the first mid-semester examinations. The weather in Pune is slightly cool and it is raining day and night.

We began our Tertianship on 4 August on the Feast day of Our Lady of Snow when Ignatius started dictating his life to De Camara. We are altogether 14 Tertians and two Masters. Fr Joe Pulickal is very jovial and happy. Sunny is fine and keeps up the Ayurvedic treatment. Last month was a time of preparation for the Long Retreat and we had classes on Psycho-Spiritual Framework, Enneagram, and Autobiography of St Ignatius. We began the Long Retreat on 2 September. As a preparation for the Retreat we made a pilgrimage to Basilica of Bom Jesus, Old Goa, where the body of St Francis Xavier is preserved.

Fr Beckers, the chaplain, presided over the Mass on the Feast of the Assumption of Our Lady and the Indians came together to commemorate the Independence Day. Onam was an occasion to feel nostalgic about Kerala. The excursion to Amsterdam organized by the Academia was the key attraction of the month. ### FROM TAIWAN

After the Summer Course in Mainland China, I beat our Communists and Maoists to it by visiting the Birthplace (Shaoshan in Henan Province) of Chairman MAO Ze Dong! After that I also visited the Birthplace (Qufu in Shandong Province) of the model “Master Teacher”, KONG Zi (551– 479 B.C., CONFUCIUS in Matteo Ricci's Latin rendering). These two men, during and after their life, have very differently influenced and shaped the thinking and behaving of millions of Chinese... After welcoming the five new International Regents, I accompanied them to our Communities in the south and centre of Taiwan where young blood is urgently needed to succeed our Companions in their eighties and nineties, still in active service. On the way we had a boat-ride in the beautiful Sun-Moon Lake and berthed near a Temple dedicated to the famous Chinese Buddhist Monk and student of Nalanda, XUAN Zang, about whose life and travels I had learned in my Std VIII Hindi Text-book. Around 630 A.D. he began his long and circuitous journey to India that took him as far south as Kanchipuram. It was much much later (1603) that our illustrious and adventurous Portuguese Brother, Bento de Goes, left Agra and then Lahore on his long exploratory journey that took him far and wide, finally to Suzhou where he died in 1607... Back here, SANTHOSH Benedict (Madurai), AUDRICK D'Mello (Goa) and their 3 fellow-Regents (Spain, France & Colombia) have begun their study of Chinese. Their seniors (Rubil Martin & Co.) were refused Student Visas. Instead of going to Beijing, they are continuing their second year of Chinese in Taipei City. We are immediately bracing ourselves for a

Kerala Tidings

couple of typhoons ... and for more in the coming weeks.
